Re: Hearing Application
G10 Sand, Reservoir A
WEST LAKE VERRET FIELD
St. Martin Parish, Louisiana
Applicant: Mission Resources Corporation

Dear Mr. Commissioner:

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, application is hereby made on behalf of **Mission Resources Corporation** the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the G10 Sand, Reservoir A, SUA, West Lake Verret Field, St. Martin Parish, Louisiana.

1. To redefine the G10 RA SUA previously defined in Office of Conservation Order No. 50-FF, effective April 6, 1979;
2. To grant an exception to the spacing provisions of Statewide Order No. 29-E and Office of Conservation Order No. 50-FF and to permit applicant, Mission Resources Corporation to designate and utilize Mission Resources Corporation-JL&S No. 141 Well as a substitute unit well for the G10 RA SUA, such well to be at the location shown on the plat attached hereto and made a part hereof;
3. To find that this well is necessary to effectively and efficiently drain a portion of the reservoir covered by the unit which cannot be effectively and efficiently drained by any existing well within such unit;
4. To confirm Mission Resources Corporation as the operator of the G10 RA SUA;
5. To find that, except to the extent contrary to the order granted by the Commissioner of Conservation in connection with the hearing held on this application, the provisions of Office of Conservation No. 50-FF, shall remain in full force and effect, and
6. To consider such other matters which may be pertinent to this application as shown by the evidence presented at the hearing held on this matter.

The G10 Sand, Reservoir A, West Lake Verret Field, St. Martin Parish, Louisiana was previously defined in Office of Conservation Order No. 50-FF, effective April 6, 1979 and is hereby redefined as being that oil and gas bearing sand encountered between the

measured depths of 4,738 feet and 4,975 feet (electrical log measurements) in Mission Resources Corporation-JL&S Co. No. 141 Well, located in Section 15, Township 14 South, Range 12 East.

In accordance with the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation of the State of Louisiana, the Commissioner of Conservation, the District Manager of the Lafayette District of the Office of Conservation and all interested owners, represented parties and interested parties known to the applicant after a reasonable search were notified in writing in the pre-application notice dated April 4, 2005 that a conference to discuss the proposed application was tentatively scheduled for 10:00 a.m. on Monday, April 25, 2005. It was stated at that time that this conference would be held only if a request to confer were received by the undersigned within ten (10) calendar days after the date of the pre-application notice. No requests to confer were received either in writing or by telephone and, in accordance with the Rules of Procedure, the tentatively scheduled conference **WILL NOT BE HELD**.

Attached hereto and made a part hereof is a plat outlining the G10 RA SUA, showing the location of the substitute unit well together with a list of the names and addresses of all interested owners, interested parties and represented parties who are known to the applicant after reasonable search. A reasonable effort was made to ascertain the names and addresses of all such parties.

A copy of the list of the names and addresses of the interested owners, represented parties and interested parties is not being mailed to those parties along with this hearing application. Should any such party desire a copy of this list, however, we will be glad to provide one upon request.

Upon receipt of the legal notice in the captioned matter, the notice will be posted, published and mailed in accordance with Rule 7 of the Rules of Procedure.

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Mr. Leon Comeaux of Leon Comeaux & Associates, P. O. Box 53922, Lafayette, Louisiana 70505, (337) 233-9839.

Finally, there is enclosed herewith our check on behalf of the applicant in the amount of \$755.00, made payable to the Office of Conservation, representing the required hearing application fee.

Very truly yours,

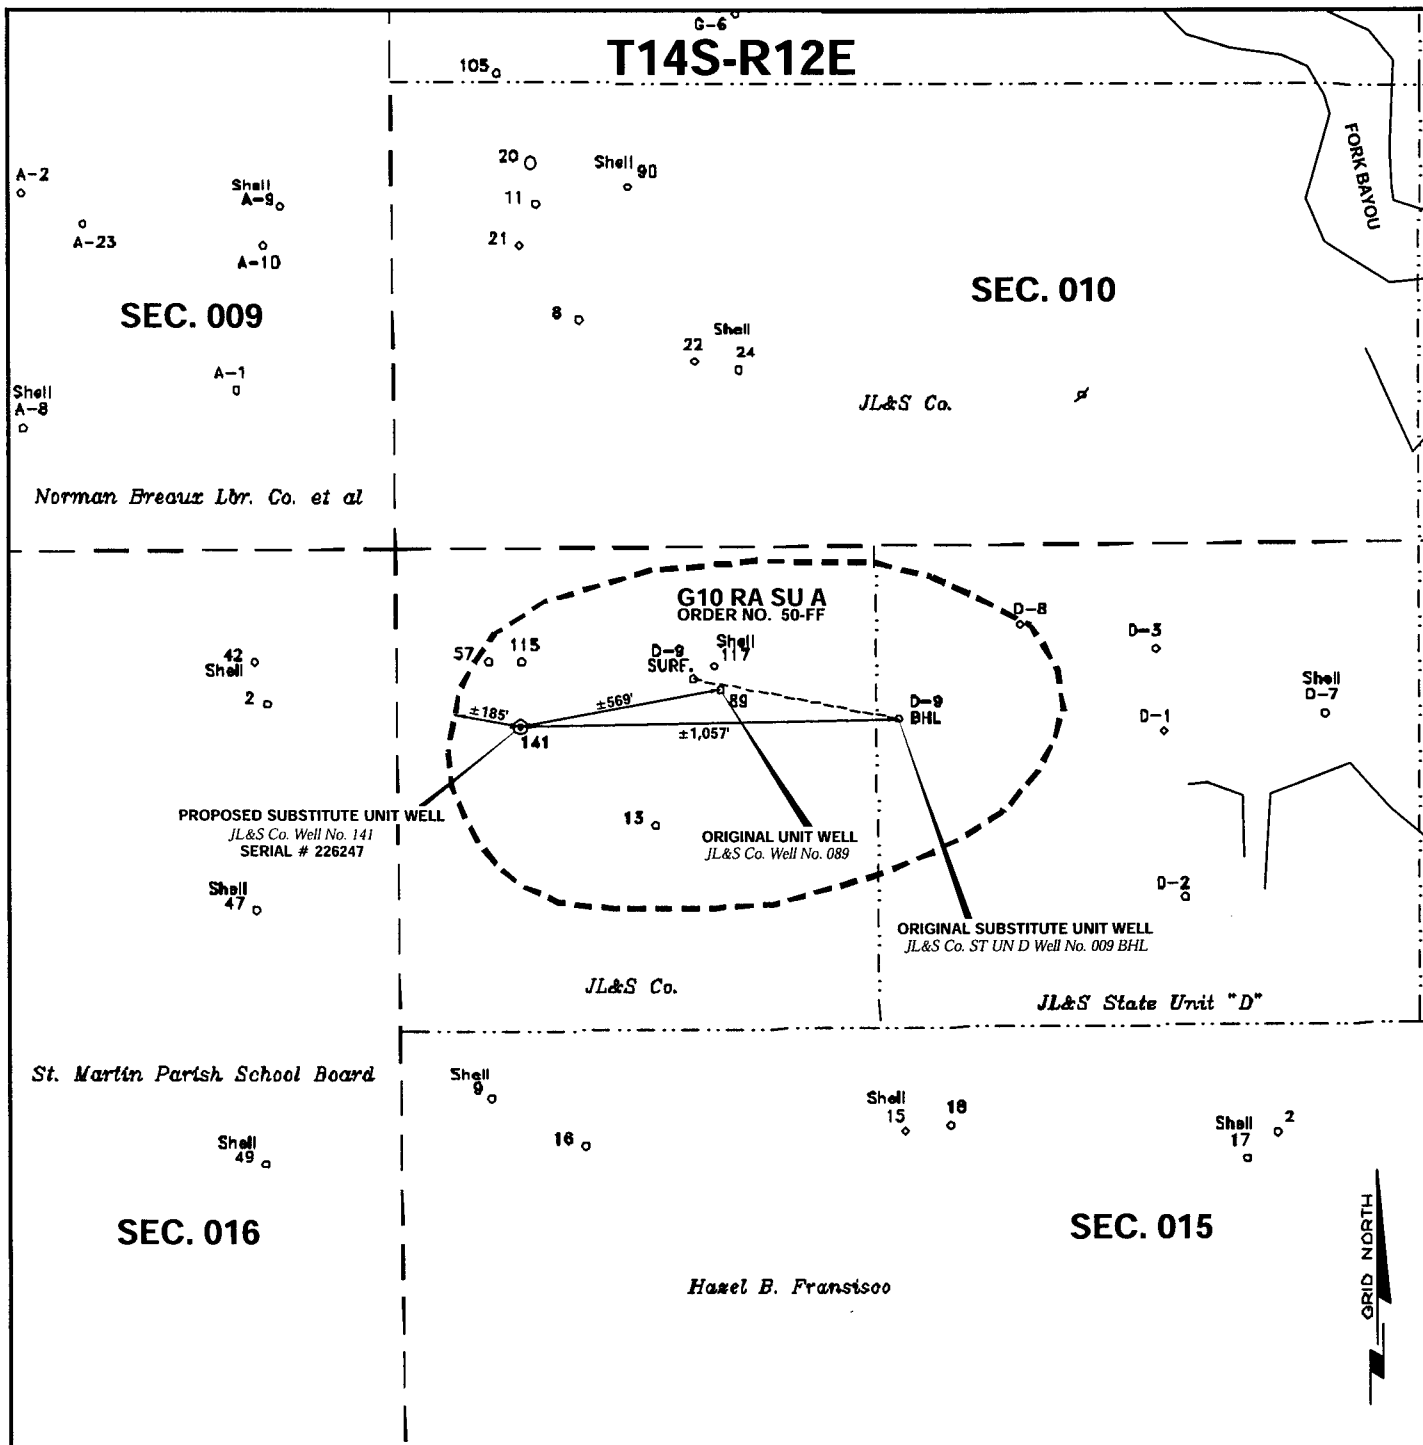

William F. Bailey
